#### **STATE-IMPOSED REQUIREMENTS:**

This directive contains some state-imposed requirements. These requirements are indicated by **bold, italic type**.

#### FILING INSTRUCTIONS:

Retain this directive until further notice.

#### BACKGROUND:

The WIA requires that states reach agreement with the Secretary of Labor on state-level performance goals for the 15 WIA Title IB core performance measures and two measures of customer satisfaction. In addition, WIA Section 136(c)(2) states that the LWIB, the chief elected official, and the Governor shall negotiate and reach agreement on the local levels of performance. Working in collaboration with the California Workforce Investment Board, the Employment Development Department's (EDD) Workforce Investment Division (WID) has been delegated the responsibility for the negotiation of the State and local performance goals under the WIA Title IB. The performance measures are described in WIA Section 136 and defined in detail in TEGL 7-99.

As required under WIA Section 136(b)(3)(v), the WID reached an agreement with the Secretary of Labor regarding State levels of performance for PY 2003–04 and PY 2004–05 in May 2003.

#### **POLICY AND PROCEDURES:**

Attachment 1 to this directive provides the State's proposed LWIA performance goals for PY 2004–05. Giving consideration to the challenges currently facing the LWIBs and the minimal changes to the Governor's WIA Title I performance goals for PY 2004–05, these goals are unchanged from the agreed upon LWIA goals for PY 2003–04. The State's WIA Title 1B performance goals for PY 2003–04 and PY 2004–05 are provided in Attachment 2.

The LWIBs wishing to renegotiate these goals should prepare their proposals and submit them to the WID for consideration no later than April 15, 2005. Please note that the Credential rates and Diploma rate are not negotiable. The LWIAs' goals for these measures will be the same as the State goal. Because we understand that the DOL plans to issue new performance guidance for PY 2005–06 in March 2005, WID is not requesting local performance proposals for PY 2005–06.

When preparing the local area's performance proposal, the local board should consider:

- The Governor's performance goals for PY 2004–05;
- Local area economic conditions, client characteristics and the service mix available to clients relative to the balance of the State; and
- The degree to which the proposed goals reflect continuous performance improvement.

To in<mark>itiate the n</mark>egotiation process for PY 2004–05, a local area should send a performance proposal to:

Bob Hermsmeier Chief Workforce Investment Division, MIC 69 Employment Development Department P.O. Box 826880 Sacramento, CA 94280-0001

Letters must be postmarked no later than April 15, 2005, and signed by the Chair of the LWIB or the Chair's designated alternate. (Note: Alternates must be formally designated by official action of their respective boards or locally-approved policy.) Letters must include the following information:

- The LWIA's desired performance goals.
- The rationale for the proposed performance goals based on the economics, demographics and service mix within the LWIA. This analysis should explain how these goals promote continuous improvement.
- A designated contact person responsible for the local performance negotiation process.

#### **ACTION:**

This directive should be called to the attention of the Chief Elected Official (CEO) and the LWIB for consultation. The LWIBs, LWIA administrators, and staff should carefully review their proposed performance goals. The CEO and local boards should take immediate action to prepare alternative performance proposals for PY 2004–05, if there are sufficient data to support renegotiation.

#### **INQUIRIES:**

Questions regarding this policy and procedure should be directed to Damien Ladd in the WID Performance Management Unit, at (916) 654-5181, or the <u>Regional Advisor</u> assigned to your LWIA.

Chief
Workforce Investment Division
